THE BEST BUSINESS IS LOOKING AFTER
YOUR COMPANY’S HEALTH

BENEFITS FOR YOUR COMPANY AND YOUR EMPLOYEES

- **Reduced employee absenteeism:** with services that facilitate healthcare preventing journeys and absences: video consultations with the Digital Doctor, delivery of medicines from the pharmacy, physiotherapy at work, etc.
- **Improved competitiveness and productivity:** employees with better health and therefore greater availability and capacity to work. In addition, they will have shorter waiting lists that will allow them to reduce convalescence periods.
- **Employee loyalty:** improves the working atmosphere and strengthens the bond with the company, resulting in greater commitment from staff and retention of strategic employees.
- **Better company image:** a company that looks after its employees is rated highly.

- **Tax exempt:** for employees, the first €500 per family member are tax exempt.¹
- **Balance:** between employees’ working life and family life.
